

Do you need advice in establishing and intelligent job search?

WHAT TYPE OF KNOWLEDGE DO YOU NEED?

- Resume services?
- Databanks?
- Outplacement Firms? Definition and what they do?
- Search Firms? Definition and what they do?
- Where most jobs are found
- How most companies seek job candidates
- How you see yourself and how it affects your opportunities
- How long have you searched?
- Where have you searched?
- What is a "favored candidate"
- How many offers have you received?
- What are your concerns"
- How do you negotiate the best compensation package?
