

Sha'arim: Servicing Students With Special Needs

We want all students at Bet Shalom to be able to be a part of the community and grow from the curriculum to the best of their abilities. We will continue to offer services from *Sha'arim*, the special needs support program. Therefore, if your child has any special needs, please provide us with as much information as possible, and feel free to meet with Ali King to discuss this further. The more we share and work together, the better we are able to meet your child's needs while they are here at Bet Shalom.
